CALIFORNIA CLINICAL FORENSIC MEDICAL TRAINING CENTER

ABOUT THE COURSE

FORENSIC PHOTOGRAPHY

Forensic Photography has been designed to meet the specific needs of healthcare providers. This one-day course provides basic instruction and hands-on experience related to the fundamental techniques for forensic photography in the documentation of injuries.

This course ensures the sound level of understanding about general principles in the production of accurate forensic photographs; the development of a familiarity with the spectrum of potential systems, equipment, and practices used in forensic photography; and the understanding of the essential organizational and administrative steps necessary to incorporate forensic photography into work with victims.

Training participants will be provided a digital camera and forensic tools during the training so their experience is truly hands-on.

COURSE GOALS

- Ensure a sound level of understanding about the general principles involved in the production of accuracy in forensic photography
- Provide basic training and hands-on experience related to the fundamental techniques for forensic photography
- Develop a familiarity with the spectrum of potential systems, equipment, and practices used in forensic photography

COURSE SCHEDULE:

7:30 AM – Registration

8:00 AM to 5:00 PM

- Course Overview & Introductions
- Camera Set-Up
- Camera Operations
- Photo Documentation Exercises
- Legal Issues
- Identifying Patient Injuries
- Photographing Patient Injuries Simulation
- Photo Review
- Work Flow Standard Operating Procedure
- Course Evaluation and Feedback

COURSE DIRECTORS

WILLIAM GREEN, MD

Medical Director, California Clinical Forensic Medical Training Center, UC Davis Medical Center

Director, Sexual Assault Forensic Examiner Team, UC Davis Health System Training Faculty

Dr. Green has been on the faculty of the University of California, Davis Medical School since 1976; he is currently Clinical Professor of Emergency Medicine. Since 1985 he has been a consultant to the Office of Criminal Justice Planning (now CalEMA, California Emergency Management Agency) and was a contributor to the original medical protocol for sexual assault evaluation. In 1989, Dr. Green was one of the founders of the Sexual Assault Forensic Evaluation (SAFE) Team at the University of California, Davis Medical Center and currently serves as the team's Medical Director. His publications include, *Rape: The Evidential Examination and Management of the Adult Female Victim*, published by Lexington Books. In 1990 he was appointed by the California Commission on the Status of Women to the Office of Criminal Justice Planning (now CalEMA) State Advisory Committee that oversees services to sexual assault victims. Most recently, Dr. Green worked with the core advisory group that helped draft the legislation which ultimately created the California Clinical Forensic Medical Training Center. He is currently Medical Director at the California Clinical Training Center at UC Davis in Sacramento, California.

ELLIOT SCHULMAN, MD, MPH

Education Director, Adult Sexual Assault Education Program, California Clinical Forensic Medical Training Center, Sacramento, CA

Dr. Schulman is the Director of the Adult Sexual Assault Education Program for the California Clinical Forensic Medical Training Center at UC Davis. Dr. Schulman is co-author of the Sexual Assault Forensic Examiner Training for Health Care Professionals and has participated in the development of courses related to sexual assault/child sexual abuse and forensic photography for CCFMTC since joining the faculty in 2000. In December 2009, he retired as the Public Health Director/Health Officer of the Santa Barbara County Public Health Department. He continues to serve as the Medical Director of the Rape Treatment Center/Stuart House at Santa Monica/UCLA Medical Center. Dr. Schulman is a Medical Examiner and consultant to the Santa Barbara County SART program.

ROSS PACK

District Attorney Investigator II, Butte County District Attorney's Office

Mr. Pack is a District Attorney Investigator with the Butte County District Attorney's Office and has had a career in law enforcement as a Deputy Sheriff with the Glenn County Sheriff's Department, Police Officer with the Orland Police Department, and a Police Officer/Criminal Investigator with the Chico Police Department. In addition to his long career in law enforcement, Mr. Pack has been an educator in the area of law enforcement and documentation of forensic evidence and has conducted trainings for district attorneys, police officers, medical forensic examiners, and the Department of Justice.

ABOUT THE CALIFORNIA CLINICAL FORENSIC MEDICAL TRAINING CENTER

Penal Code Section 13823.93 established the foundation and statutory authority for the California Clinical Forensic Medical Training Center (CCFMTC). Funding is provided through a grant from the California Emergency Management Agency (CalEMA). Training is provided for healthcare providers to identify, evaluate, and document injuries; to better manage the healthcare consequences of abuse; and to effectively collaborate with social services, law enforcement agencies, advocacy organizations, and the criminal justice system. CCFMTC also provides training to law enforcement officers, district attorneys, public defenders, investigative social workers, and judges on medical evidentiary examination procedures and the interpretation of findings. The Center trains medical professionals to effectively identify, evaluate and treat victims of child abuse and neglect, sexual assault, domestic violence, elder abuse, and abuse of persons with disabilities.

CONTINUING EDUCATIONAL STATEMENT

ACCREDITATION:

The University of California Davis, Health System is accredited by the Accreditation Council for Continuing Medical Education (AACME) to provide continuing medical education for physicians.

PHYSICIAN CREDIT: The University of California, Davis Health System designates this educational activity for a maximum of 6.75 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The following may apply CME Category 1 credit for license renewal:

PHYSICIAN ASSISTANT: The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification.

NURSE: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits™* issued by organizations accredited by the AACME. For the purpose of relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits™* (report up to 6.75 hours of credit and fill in "CME Category 1" for the provider number).

PSYCHOLOGIST: This educational activity is recognized by the California Board of Psychology as meeting the continuing education requirements toward license renewal for California psychologist (self reporting required).

MFT and LCSW CREDIT: UC Davis Health System Office of Continuing Medical Education, Provider No. PCE 2354. This course meets the qualifications for 6.75 hours of continuing education credit for marriage and family therapists and/or licensed clinical social workers as required by the California Board of Behavioral Sciences. Participants must attend the entire course, write license number on the roster, and complete the course evaluation to earn credit.

UC DAVIS HEALTH SYSTEM CME DISCLOSURE

Disclosure of Relevant Financial Relationships: As a provider accredited by the Accreditation Council for Continuing Medical Education, the University of California, Davis Health System must ensure balance, independence and objectivity in all CME activities to promote improvements in health care and not proprietary interests of a commercial interest. The provider controls all decisions related to identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods and evaluation of the activity. Course directors, planning committee members, presenters, authors, moderators, panel members and others in a position to control the content of this activity are required to disclose relevant financial relationships with commercial interests related to the subject matter of this educational activity. Learners are able to assess the potential for commercial bias in information when complete disclosure, resolution of conflicts of interest, and acknowledgement of commercial support are provided prior to the activity. Informed learners are the final safeguards in assuring that a CME activity is independent from commercial support. We believe this mechanism contributes to the transparency and accountability of CME.

UC DAVIS HEALTH SYSTEM CME MISSION

In concert with the University of California, Davis Health System mission of discovering and sharing knowledge to advance health, the continuing medical education mission focuses on the lifelong learning commitments of physicians who practice in the health system and in the greater Northern California region. UC Davis CME is at the nexus between scientific discovery and its translation to practice with a commitment to provide a variety of educational formats for evidence-based education that fulfills identified needs and produces changes in physician practice resulting in improved competence, performance and/or patient care. With an emphasis on multidisciplinary programs, content is based on competencies and bona fide needs assessments as well as clinical requirements. The CME Advisory Committee reviews the content and quality of CME offerings in accordance with the Accreditation Council for Continuing Medical Education's Essential Areas and Their Elements and the American Medical Association's Physician Recognition Award accredited provider information.
